MATICES:

Naunces. noun(c) A subtle or slight variation or difference in appearance, meaningm expression, feeling, sound, etc.

The culture, colors, passion, life and traditions represented on every slight variation we are, reflected everywhere we go.

A piece of Mexico in a bottle

That bring out the best of our roots defining a new culture that we name “NEOXICAN”

OUR LEGACY :

As a company we seek to preserve the true essence of Tequila.

Committed to always offer high quality Tequilas, we own the complete process, from the AGAVE fields all the way to the aging, creating an experience in each bottle that will become part of a batch with his own history.

The result from a selected-harvest, custom crafted, and finely finished process, ends in “ART” a custom made ceramic bottle with a history behind.

THE TASTING NOTES

COLOR: Brilliant golden hue, amber highlights with a powerfull body.

NOSE: Rich aromas of cooked agave, light notes of vanilla, caramel, and hints of tobacco.

TASTE: The elegant composition reveals sweet notes, citrus hints, delicate taste of vanilla and wood that comes from the toast of the barrel.

FINISH: Smooth, warm and toasty finish that leaves a generous after taste.

“BE NEOXICAN, BE PART OF THE HISTORY”
